## **CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.**

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.*

## NOTES TO CONDENSED CONSOLIDATED FINANCIAL INFORMATION

### 1. GENERAL INFORMATION

Neo Telemedia Limited (the “**Company**”) (together with its subsidiaries, collectively referred to as the “**Group**”) was incorporated in the Cayman Islands as an exempted company with limited liability and its shares are listed on the Growth Enterprise Market (“**GEM**”) of the Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”).

The address of the registered office and principal place of business of the Company are Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman, KY1-1111, Cayman Islands and Room 1906-8, 19th Floor, Harcourt House, 39 Gloucester Road, Wanchai, Hong Kong respectively.

The condensed consolidated financial statements are presented in Hong Kong dollars (“**HK\$**”). Other than those subsidiaries established in the People’s Republic of China (the “**PRC**”) whose functional currency is Renminbi (“**RMB**”), the functional currency of the Company and its subsidiaries are HK\$. The reason for selecting HK\$ as its presentation currency is that the Company is a public company listed on GEM, where most of the investors are located in Hong Kong.

The principal activity of the Company is investment holding and the principal activities of its operating subsidiaries are sale of telecommunication products and services and operation of Internet finance platform business.

### 2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The unaudited condensed consolidated financial statements of the Company have been prepared in accordance with the disclosure requirements of the Rules Governing the Listing of Securities on GEM. The unaudited condensed consolidated financial statements have been prepared under the historical cost convention.

In the current period, the Group has applied, for the first time, certain new or revised Hong Kong Financial Reporting Standards (“**HKFRSs**”) issued by the Hong Kong Institute of Certified Public Accountants that are mandatorily effective for the current period. The application of the above new or revised HKFRSs has had no material effect on the Group’s financial statements.

The accounting policies used in the preparation of the unaudited condensed consolidated financial statements have been consistently applied by the Group and are consistent with those used in preparing the Company's annual audited financial statements for the year ended 31 December 2015.

The unaudited condensed consolidated financial statements for the nine months ended 30 September 2016 have not been audited or reviewed by the Company's auditors, but have been reviewed by the audit committee of the Company.

***De-consolidation***

Due to i) the non-cooperation of the key management of CERNET Wifi Technology (Beijing) Company Limited (“**CERNET Wifi**”), and ii) the non-cooperation of the holder of the CERNET Wifi's non-controlling interests who owned the brand name and network of CERNET, which CERNET Wifi had used for its operations pursuant to an asset leasehold agreement, the Company had been unable to both i) access the complete sets of books and records together with the supporting documents of CERNET Wifi and ii) maintain and operate the business of CERNET Wifi's properly. As such, the directors of the Company consider that the Company has lost its control over CERNET Wifi. As a result, CERNET Wifi had been de-consolidated from the consolidated financial statements of the Group from 1 January 2014.

**3. TURNOVER**

The Group was principally engaged in sale of telecommunication products and services and Internet finance platform business during the nine and three months ended 30 September 2016. An analysis of turnover is as follows:

	For the nine months ended 30 September		For the three months ended 30 September	
	2016 HK\$'000 (Unaudited)	2015 HK\$'000 (Unaudited)	2016 HK\$'000 (Unaudited)	2015 HK\$'000 (Unaudited)

Note: Others include logistics related business, transmedia advertising services and cross-border e-commerce business.

**4. INCOME TAX (EXPENSE)/CREDIT**

Hong Kong Profits Tax is calculated at 16.5% of the estimated assessable profit for both periods.

Under the Law of the PRC on Enterprise Income Tax (the “EIT Law”) and Implementation Regulation of the EIT Law, the tax rate of the PRC subsidiaries are 25% from 1 January 2008 onwards.

A subsidiary of the Company is qualified as a high-tech enterprise in accordance with the Guidelines for the Accreditation of High-tech Enterprises ( 高新技術企業認定管理工作指引 ) and is entitled to a preferential tax rate of 15%.

Taxation arising in other jurisdictions is calculated at the rates prevailing in the relevant jurisdictions.

**5. DIVIDEND**

The Directors resolved not to declare any dividend for the nine months ended 30 September 2016 (2015: Nil).

**6. EARNINGS/(LOSS) PER SHARE**

The calculation of the basic and diluted earnings/(loss) per share attributable to owners of the Company is based on the following data:

	For the nine months ended 30 September		For the three months ended 30 September	
	2016 (unaudited) HK\$'000	2015 (unaudited) HK\$'000	2016 (unaudited) HK\$'000	2015 (unaudited) HK\$'000
Profit/(loss) attributable to owners of the company	<b>176,179</b>	(28,990)	<b>30,704</b>	(8,455)

	For the nine months ended 30 September		For the three months ended 30 September	
	2016 (unaudited)	2015 (unaudited) (restated)	2016 (unaudited)	2015 (unaudited) (restated)
Weighted average number of ordinary shares for the purpose of basic earnings/(loss) per ordinary share at the end of the period	<b>9,528,844,345</b>	6,779,948,220	<b>9,528,844,345</b>	7,066,452,080
Effect of dilutive potential ordinary share:				
Share options	<b>38,528,949</b>	-	<b>31,379,209</b>	-
Weighted average number of ordinary shares for the purpose of diluted earnings/(loss) per ordinary share at the end of the period	<b>9,567,373,294</b>	6,779,948,220	<b>9,560,223,554</b>	7,066,412,080

The computation of diluted earnings per share for the nine months and three months periods ended 30 September 2016 does not assume the exercise of certain share options since the exercise prices are higher than the average share price. The computation of diluted loss per share for the nine months and three months periods ended 30 September 2015 did not assume the exercise of share options since it would result in an anti-dilutive effect on loss per share. In addition, the computation of diluted earnings/(loss) per share does not assume the conversion of the Company's outstanding convertible notes since it would result in an anti-dilutive effect on earnings/(loss) per share.

The weighted average number of ordinary shares for the purpose of basic and diluted earnings/(loss) per share has been adjusted for bonus issue and open offer that took place on 19 June 2015 and 30 December 2015 respectively. Accordingly, the basic and diluted loss per share for the nine months and three months periods ended 30 September 2015 have been restated.

At the hearing on 7 November 2016, as the matter concerned in the Petition had been fully resolved by the Company, the High Court had granted an order that the Petition be dismissed.

## MANAGEMENT DISCUSSION AND ANALYSIS

### Financial Review

For the nine months ended 30 September 2016, the Group recorded a turnover of approximately HK\$2,366,164,000 (2015: HK\$399,750,000), representing a surge of approximately HK\$1,966,414,000 or 5 times as compared to the same period in last year. The increase in turnover was mainly driven by the businesses acquired in 2015. The Group also recorded a profit attributable to owners of the Company of approximately HK\$176,179,000 (2015: loss of HK\$28,990,000) for the nine months ended 30 September 2016, mainly due to the gain on disposal of the Hughes China Group completed during the period under review, as well as the profit contribution from Bluesea Mobile Group, Million Ace Group, Avatar Wealth and Bees Financial (as defined below).

### Business Review

#### *Sale of telecommunication products and services*

##### *Bluesea Mobile Group*

During the period under review, 廣東蔚海移動發展有限公司 (Guangdong Bluesea Mobile Development Company Limited\*) (“**Bluesea Mobile**”) and its subsidiaries (collectively referred to as “**Bluesea Mobile Group**”) completed the acquisition of 60% equity interest in 廣州市資拓科技有限公司 (Guangzhou Zituo Technology Company Limited\*) (“**Guangzhou Zituo**”). Guangzhou Zituo is principally engaged in providing Internet Data Center (“**IDC**”) services in the PRC and is currently managing over 2,000 IDC server cabinets in various cities in the PRC, including Beijing, Shanghai, Guangzhou and Shenzhen. Meanwhile, Bluesea Mobile Group has also kicked off its IDC project in Panyu where it started the construction of its IDC. The turnover contributed to the Group amounted to approximately HK\$153.7 million for the period represented trading of telecommunication products and provision of IDC, WIFI and value-added Internet services.

\* For identification purpose only

### *Million Ace Group*

Million Ace Limited and its subsidiaries (collectively referred to as “**Million Ace Group**”) is mainly engaged in trading of mobile phones, computers and the relevant devices. Although there is a worldwide slowdown in smartphone sales in 2016, Million Ace Group still managed to record a turnover of approximately HK\$2.15 billion sales in the period under review.

### *Hughes China Group*

On 19 February 2016, the Company entered into a sale agreement in relation to the disposal of the entire equity interest of HCH Investments Limited at a consideration of HK\$156,000,000 (the “**Disposal**”). The Disposal was completed on 14 March 2016 and a gain of approximately HK\$143 million was recognised in the condensed consolidated statement of profit or loss for the period ended 30 September 2016.

### *CERNET Wifi Group*

Although the common seal, contract chop and business registration (and its duplicate) of 賽爾無線網絡科技(北京)有限公司 (CERNET Wifi Technology (Beijing) Company Limited\*) (“**CERNET Wifi**”) had been returned to CERNET Wifi and the Group held the controlling interest of CERNET Wifi, the Group was not able to resume its personal broadband business (the “**Broadband Business**”) during the period under review due to: 1) the broadband business projects, the books and records of CERNET Wifi, and etc., which were essential for operating the Broadband Business, had been taken away by CERNET Investment Limited (“**CERNET Investment**”), the holder of the non-controlling interest of CERNET Wifi, and its staff members, including the former general manager and the former employees of CERNET Wifi; and 2) the possibility of resuming the Broadband Business by CERNET Wifi substantially relied on the outcome of the asset leasehold arbitration, details of which are disclosed in the announcement of the Company dated 19 December 2014 (the “**Asset Leasehold Arbitration**”). Should the outcome of the Asset Leasehold Arbitration be unfavourable to CERNET Wifi, CERNET Wifi would not be able to recover the broadband business projects, the books and records of CERNET Wifi and the assets under the Asset Leasehold Agreement which were necessary for operating the Broadband Business.

\* For identification purpose only

Meanwhile, the legal disputes between, among others, CERNET Wifi and CERNET Investment involved CERNET Wifi's claims and CERNET Investment's counter claim. Based on the latest legal opinion, the outcome of the Asset Leasehold Arbitration remained uncertain. China International Economic and Trade Arbitration Commission (中國國際經濟貿易仲裁委員會) (“**CIETAC**”) had kept delaying its decision on the Asset Leasehold Arbitration and we were informed that more time was required by CIETAC to gather information and to review such information. As such, the Group had incurred additional cost in order to support CERNET Wifi for the Asset Leasehold Arbitration and it was expected that further related costs would be incurred by the Group. Up to the year ended 31 December 2015, the Group had incurred approximately HK\$2,529,000 for legal claims relating to CERNET Wifi and the Asset Leasehold Arbitration. However, it was possible that the outcome of the Asset Leasehold Arbitration might not be favourable to CERNET Wifi. With a view to saving time and costs involved in the legal proceedings, on 17 February 2016, the Group entered into agreements (the “**Unwinding Agreements**”) with 天一金網科技有限公司 (“**A1 Net**”), the immediate holding company of CERNET Wifi and a subsidiary of the Company by way of structured contracts (the “**Structured Contracts**”), the shareholders of A1 Net and two independent third parties (the “**Purchasers**”) to unwind the Structured Contracts. Pursuant to the Unwinding Agreements, among others, 1) the Structured Contracts under which the Group had obtained control over CERNET Wifi would be unwound; and 2) the shareholders of A1 Net disposed of their entire interests in A1 Net to the Purchasers. The financial impact of the unwinding the Structured Contracts on the Company's condensed consolidated financial statements was insignificant.

In addition, upon the unwinding of the Structured Contracts, while the Group will not incur further costs in relation to the legal proceedings, A1 Net has undertaken to repay the Group its share of any claimed amount received by CERNET Wifi if the outcome of the legal proceedings is in favour of CERNET Wifi.

## ***Internet finance platform business***

During the period under review, the Group continued to expand its customer base of its Internet finance platforms in 廣東阿凡達財富投資管理有限公司 (Guangdong Avatar Wealth Investment Management Company Limited\*) (“**Avatar Wealth**”) and 深圳市蜜蜂金服互聯網金融服務有限公司 (Shenzhen Bees Financial Internet Financial Services Co. Ltd.\*) (“**Bees Financial**”). The revenue contributed to the Group amounted to approximately HK\$52 million represented service or commission income through the operations of those platforms.

## **Business Prospects**

Upon the completion of the acquisition of Guangzhou Zituo, Bluesea Mobile Group has strengthened its presence in the IDC business in the region. In addition, it is expected that the IDC in Panyu to complete its construction and commence its trial run later this year or in early 2017. Meanwhile, Bluesea Mobile Group has entered into a strategic cooperation framework agreement with 中海油信息科技有限公司 (China National Offshore Oil Information Technology Limited\*) (“**CNOOIT**”) in respect of the joint development of a first class information-based enterprise in China to provide technology and services of IDC entities and big data applications. Through the strengths of Bluesea Mobile Group in IDC, cloud computing and big data, coupled with the technology and resources of CNOOIT, the management expects to open up Hong Kong, Macau and overseas market for its businesses.

The Group will continue to explore potential investment opportunities in IDC and cloud computing. With the favorable policies and support from the PRC government towards these fast growing sectors, the management is optimistic that the Group will regain its strength and be able to reward shareholders with better results in the foreseeable future.

## **Material Acquisition and Disposals**

### ***Hughes China Group***

On 14 March 2016, the Group completed the disposal of the entire equity interest in HCH Investments Limited at a consideration of HK\$156,000,000. Hughes China Group is mainly engaged in trading of satellite communication products and related services. ## Legal Proceedings

### *Writ of summons*

Reference is made to the announcement of the Company dated 14 June 2015, a writ of summons (the “**Writ**”) was issued by Arch Capital Limited and Hillgo Asia Limited (the “**CN Holders**”) against the Company under Court of First Instance of the High Court of Hong Kong Action No.1281 of 2015 (“**Action**”). In the statement of claim under the Writ, the said two companies purportedly claim as the holders for value of two convertible notes in an aggregate principal amount of HK\$144,000,000 issued by the Company (the “**Convertible Note(s)**”), and claim for the principal amount of HK\$144,000,000 under the said Convertible Notes together with interest and costs. The Convertible Notes were issued by the Company in relation to the acquisition of HCH Investments Limited in April 2013 as part of the consideration payable to Oberlin Asia Inc. (the “**Vendor**”). The Vendor nominated the said two companies to hold the Convertible Notes; and it was expressly provided in the Convertible Notes that they were non-transferable. There are on-going disputes between the Company and the Vendor regarding the said acquisition. Further, subsequent to the said acquisition and without the prior knowledge or consent of the Company, the ultimate beneficial ownership of the said two companies was transferred to Next-Generation Satellite Communications Limited (“**Next-Gen**”), a company listed on the Singapore Stock Exchange. It is the Company’s position that the said transfer was in breach of aforesaid provision of non-transferability, and therefore the said two companies and Next-Gen are not entitled to claim on the Convertible Notes.

The Directors have therefore given instructions to the Company’s legal adviser to contest and defend the Action and to raise a counterclaim against the said two companies. A Defence and Counterclaim has accordingly been filed on behalf of the Company on 26 August 2015, disputing the claim of the said two companies and counterclaiming them for damages (the “**Counterclaim**”).

On 6 January 2016, an order for discontinuance of the Counterclaim and a Tomlin order (the “**Tomlin Order**”) were filed with the High Court that all further proceedings in relation to the Action be stayed except for carrying out the terms that include the following, among other things, into effect:

- The Company shall, within 3 business days after closing of the open offer completed on 30 December 2015, pay to the said two companies the sum of HK\$10,080,000, representing the outstanding interest on the Convertible Notes for the period from 5 October 2014 to 4 October 2015.
- The Company shall comply with all terms of the Convertible Notes.
- The obligation of the Company to pay interest of the Convertible Notes at the rate of 7% per annum from 5 October 2015 until full payment is expressly waived by the said two companies.

On 12 April 2016, the Company entered into an agreement (the “**Settlement Agreement**”) with the CN Holders and A R Evans Capital Limited (the “**Subscriber**”) pursuant to which the Company will allot and issue 375,875,000 ordinary shares to the Subscriber at the price of HK\$0.40 per share (the “**Subscription Share(s)**”).
